Pictogram and Performance Levels

3 1 2 1 X **Performance Levels**

A J K L

Pictogram and Performance levels acc. To EN388-2016

All levels apply only to coated areas of the glove.

The total classification of gloves with two or several not connected layers shows not necessarily the performance of the outer layer.

Cleaning: No cleaning or care recommended

Storage: Store in dark, dry place

Handling: New and used gloves should be thoroughly checked to ensure that they are not damaged (e.g. Incisions, holes).

We are not aware of any substances in this product that could cause an allergic reaction.

Warning:

Gloves should not be worn where there is risk of being caught in moving machinery parts
